Bryce Holloway

Small Engine Mechanic

Boise, ID (208) 555-0159 bryce.holloway@email.com linkedin.com/in/bryceholloway

SUMMARY

Small engine mechanic with 4 years repairing mowers, chainsaws, trimmers, generators and UTVs at a Boise power equipment dealer, finishing about 35 repairs a week in peak season. Rebuilds two-stroke and four-stroke engines, fuel systems and zero-turn hydraulic systems. Mechanical aptitude backed by EETC certifications and steady customer service at the counter.

EXPERIENCE

Small Engine Mechanic

03/2023 - Present

Treasure Valley Power Equipment

Boise, ID

Outdoor power equipment dealer with sales, parts and a 6-bench service shop.

- Repair **35** mowers, trimmers, chainsaws and blowers a week from April to September with a 3% comeback rate.
- Rebuild carburetors and fuel systems damaged by old ethanol fuel, the cause of about 60% of spring repairs.
- Diagnose ignition and electrical problems with a multimeter, spark tester and wiring diagrams.
- Replace pumps, wheel motors and drive belts in the hydraulic systems of zero-turn mowers.
- Assemble 120+ new units a season for delivery, including fluids, adjustments and a full test run.

Service Technician

05/2022 - 02/2023

Foothills Rental and Repair

Meridian, ID

Equipment rental store with 300 small engine units.

- Serviced 25 returned rental units a week, from tillers and pressure washers to generators.
- Replaced pull starters, spark plugs and recoil springs, cutting rental downtime by 2 days per unit.
- Wrote repair notes for every unit so counter staff could give customers accurate pickup times.
