General Studies

EXPERIENCE

Special Education Aide 08/2024 - Present

Chesapeake Bay Public Schools Baltimore, MD

Self-contained K-5 classroom of 9 students with multiple disabilities.

- Support **9** students with multiple disabilities, following each IEP and the teacher's daily written instructions.
- Perform safe lifts and transfers for 3 wheelchair users, with no student or staff injuries in 2 school years.
- Coach 4 students daily on mathematics goals with counters and touch math, logging accuracy for the IEP team.
- Operate the copier, laminator and Braille embosser to prepare adapted materials, about 30 pages a week.

Instructional Assistant 09/2022 - 07/2024

Greenspring Learning Academy Baltimore, MD

Private special education day school for students ages 6-14.

- Supported a class of **8** students with autism and emotional disabilities alongside 1 teacher.
- Carried out behavior intervention plans and recorded ABC data on 3 target students each day.
- Reduced one student's elopement attempts from daily to once a month with a visual check-in routine.
- Escorted students to speech and occupational therapy sessions and passed notes back to the teacher.
