SUMMARY

Licensed speech-language pathology assistant with 2 years delivering direct therapy in elementary schools under a supervising SLP. Runs individual and group speech therapy for a caseload of 38 students working on articulation, language and fluency goals, and keeps data and session notes current. Holds a bachelor's degree in communication sciences and disorders.

EXPERIENCE

Speech-Language Pathology Assistant 08/2024 - Present
Hill Country Therapy Partners Austin, TX

Therapy contractor placing SLPs and SLPAs in 4 central Texas school districts.

- Deliver **40+** individual and group speech therapy sessions a week for a 38-student caseload in grades K-5.
- Implement treatment plans written by the supervising SLP for articulation, language and fluency goals.
- Collect data on every goal and chart it for Medicaid billing, meeting submission deadlines 100% of the time.
- Create visual supports, picture schedules and games for 12 students who use AAC devices or low-tech boards.
- Coordinate carryover activities with 9 classroom teachers; 70% of students met their annual goals last year.

After-School Tutor 09/2022 - 05/2024
Lone Star Learning Center San Marcos, TX

Part-time tutoring role while finishing a communication disorders degree.

- Tutored **15** students a week in reading and phonics, ages 5 to 10.
- Supported 3 students with autism using visual schedules and first-then boards from their teachers.
- Tracked weekly reading scores in a shared spreadsheet so parents and staff could see progress.
- Planned 20-minute small-group word games that kept groups of 4 on task for the full session.
