## SUMMARY

Mathematics sophomore at the University of Michigan with three years of tutoring algebra, geometry and SAT math. Works with 12 students a week in person and on Zoom, explaining each step with patience and tracking progress for parents. Clear communication skills with middle school, high school and first-year college learners.

## EXPERIENCE

### Student Tutor

09/2025 - Present

Huron Valley Learning Center

Ann Arbor, MI

Tutoring center serving about 150 students in grades 6 to 12.

- Teach algebra, geometry and precalculus to **12** students a week in 1-hour in-person and Zoom sessions.
- Plan each session from the student's latest quiz, raising average unit test scores by 11 points in one semester.
- Track progress in Google Classroom and email parents a short summary after every fourth session.
- Coach 4 juniors through SAT math prep, with practice scores rising an average of 70 points in 8 weeks.

### Volunteer Math Tutor

09/2023 - 05/2025

Ypsilanti Youth Homework Club

Ypsilanti, MI

After-school homework program held twice a week at a public library branch.

- Guided **6-10** middle school students per afternoon through math and reading homework.
- Created 30 practice worksheets on fractions and equations as part of lesson planning for the club.
- Organized a weekly multiplication game that kept younger students working through the full 90-minute session.
- Mentored 2 new volunteers on simple ways to explain fractions to students who were falling behind.
