

Jasmine Carter

Surgical Technologist I

 Houston, TX  (713) 555-0142  jasmine.carter@email.com  linkedin.com/in/jasminecarter

SUMMARY Surgical Technologist I with 14 months of operating room experience at a 400-bed hospital, scrubbing about 35 general, OB/GYN and orthopedic surgical procedures a month. Accredited program graduate with CST and BLS, strict sterile technique, accurate counts, quick room turnover and 18 months of prior sterile processing work.

EDUCATION **Associate of Applied Science** 05/2025
San Jacinto College Pasadena, TX
Surgical Technology

EXPERIENCE **Surgical Technologist I** 08/2025 - Present
Bayou City Medical Center Houston, TX
400-bed hospital with 22 operating rooms; scrub for general, OB/GYN and orthopedic cases.

- Handle the scrub role on about **35** general, OB/GYN and orthopedic cases a month, passing instruments to the surgeon.
- Set up sterile fields, back tables and Mayo stands for each case, with no aseptic technique breaks in 2026 audits.
- Perform surgical counts of sponges, sharps and instruments with the circulator, with zero count discrepancies to date.
- Organize surgical instrumentation and positioning aids from preference cards, finishing room turnover in 18 minutes on average.

Sterile Processing Technician (Part-Time) 01/2024 - 07/2025
Gulf Coast Surgery Center Pasadena, TX
Part-time role at a 6-OR outpatient surgery center while in the surgical technology program.

- Decontaminated, assembled and sterilized 60+ instrument trays per shift for 6 operating rooms.
- Inspected instruments for damage and pulled 120 worn items for repair in 2024.
- Logged every steam and low-temperature sterilizer load in the tracking system with biological indicator results.
- Built 40 case cart pick lists from surgeon preference cards for orthopedic and ENT cases.
