Experience

Survey Manager 02/2021 - Present

Peachtree Geospatial Partners Atlanta, GA

Head of the survey division at a 300-person engineering firm.

- Direct a **22**-person survey department of 7 field crews, 5 CAD technicians and 2 project surveyors.
- Grew survey revenue from \$3.1M to \$4.6M in 4 years by winning 11 state DOT and county on-call contracts.
- Introduced mobile LiDAR and drone mapping, cutting field days on corridor topographic surveys by 45%.
- Standardized Trimble Access feature codes and Civil 3D templates across 3 offices, reducing QA comments by 30%.

Project Surveyor 05/2016 - 01/2021

Chattahoochee Engineering Group Marietta, GA

Project surveyor and PLS for land development clients.

- Managed **50+** boundary, ALTA/NSPS and topographic projects a year with budgets up to \$400K.
- Signed and sealed plats as PLS from 2017 on with no professional liability claims.
- Delivered MicroStation files for 18 state road corridor projects on schedule.

Survey Crew Chief 06/2012 - 04/2016

Southern Crescent Surveying Macon, GA

Crew chief on boundary and construction survey crews.

- Supervised 3-person crews on **300+** boundary and construction staking surveys in middle Georgia.
- Wrote daily field reports in Word and tracked crew hours in Excel for project billing.
- Coached 4 rod persons into instrument operator roles within their first year.

Certificates
