Experience

Survey Project Manager

Wasatch Survey & Mapping • Salt Lake City, UT

01/2022 - Present

Project manager and PLS for a 45-person surveying firm.

- Manage a **\$2.8M** annual project book across 60+ boundary, ALTA/NSPS and construction staking jobs.
- Write proposals and fee estimates, winning 40% of bids including 3 multi-year master-planned community contracts.
- Coordinate 4 field crews with engineers and contractors, keeping 92% of projects within budget.
- Review Trimble Business Center adjustments and sign final plats as PLS for 2 county recorders.

Project Surveyor

Great Basin Geomatics • Ogden, UT • 04/2018 - 12/2021

Project surveyor for commercial and utility work.

- Ran construction staking for **6** commercial projects and 2 substations, meeting daily with general contractors.
- Drafted record of survey maps in AutoCAD Civil 3D for 80 boundary jobs filed with county surveyors.
- Set GPS control for a 12-mile pipeline corridor and solved datum shifts between 2 legacy projects.

Survey Crew Chief

Bonneville Land Surveying • Provo, UT • 06/2015 - 03/2018

Field crew chief on residential and highway survey work.

- Operated GPS and robotic total stations on **250+** topographic and boundary surveys.
- Translated MicroStation files from state highway subconsultant work into Civil 3D surfaces.
- Tracked calibration for 9 instruments in Excel, passing every annual service check.
