

Brandon Kessler

Termite Technician

Termite technician with 4 years in Florida pest control, the last 2.5 on a dedicated termite route around Tampa Bay. Performs liquid termiticide treatments, bait station installs and WDO inspections, completing 6-8 jobs a day. Communication skills and attention to detail keep the retreat rate under 2% and warranty renewals steady.

Experience

Termite Technician

03/2024 - Present

Suncoast Termite & Pest

Tampa, FL

Termite division technician for a family-owned pest company with 22 trucks.

- Perform liquid termiticide treatments on 6-8 homes a day by trenching, rodding and slab drilling to label specs.
- Install and monitor bait station systems on a **420**-account annual renewal route across Hillsborough County.
- Examine attics, crawl spaces and garages for subterranean and drywood termites, using a moisture meter on suspect wood.
- Present treatment plans and warranty terms to homeowners, holding a 2% retreat rate over 2 years.

Pest Control Technician

05/2022 - 02/2024

Bay Area Pest Services

Clearwater, FL

Residential route technician for a mid-size pest control company in Pinellas County.

- Serviced 16 general pest control accounts a day across Pinellas County neighborhoods.
- Referred 45 customers to the termite team after finding swarmers, mud tubes and frass on routine visits.
- Logged chemicals, rates and payments in the route app after each stop for state record rules.
- Maintained a clean, organized company truck and passed 8 quarterly vehicle safety checks.

Warehouse Associate

08/2021 - 04/2022

Gulfside Building Supply

Largo, FL

Lumber yard and warehouse role at a building materials supplier.

- Pulled and staged 40+ contractor lumber and drywall orders per shift for morning delivery.
- Checked incoming loads against purchase orders and reported damaged or wet material the same day.
- Operated a forklift to load delivery trucks, with no safety incidents in 9 months.
