SUMMARY

Tire technician with 2 years in a busy retail tire shop, installing 40+ tires a day on cars, light trucks and SUVs. Handles mounting and dismounting tires, wheel balancing, TPMS service and tire repair, drives automatic and manual transmission vehicles and holds a clean Texas driver's license.

EXPERIENCE

Tire Technician

08/2024 - Present

Sun City Tire Pros

El Paso, TX

Retail tire and wheel shop with 6 service bays.

- Install **40+** tires a day, mounting and dismounting tires, wheel balancing and setting lug torque with a torque wrench.
- Program TPMS sensors and reset warning lights on 15 vehicles a day with a handheld relearn tool.
- Repair punctures with patch-plug units to industry standards, saving customers \$150 on average versus replacement.
- Handle inventory stocking for 1,200 tires, keeping receiving errors under 1% each month.

Lot Attendant

06/2023 - 07/2024

Desert Valley Car Wash

El Paso, TX

High-volume express car wash.

- Drove 100+ customer vehicles a day, both automatic and manual transmission, through the tunnel with zero damage claims.
- Inspected wheels and tires before entry with attention to detail and logged 2-3 damage notes a day.
- Sold 35 monthly wash memberships in one summer through friendly customer service at the pay station.
