SUMMARY

UI/UX Designer with 6 years of experience designing banking and healthcare web apps used by up to 800,000 customers. Moves from wireframing and usability testing to polished visual design in Figma and Adobe XD, and codes HTML, CSS and light JavaScript prototypes so engineers see exactly how each screen behaves.

EXPERIENCE

UI/UX Designer 01/2023 - Present
Carolina Commerce Bank Charlotte, NC
Regional bank with 800,000 digital banking customers.

- Design mobile and web banking screens in Figma for 800,000 customers, shipping 14 features in 2025.
- Lead usability testing on 6 releases a year, cutting task errors in bill pay by **38%**.
- Build HTML, CSS and JavaScript prototypes for complex flows such as loan applications and card controls.
- Own the responsive design rules for 4 breakpoints and 120 shared interface components.

UI/UX Designer 05/2021 - 12/2022
Blue Ridge Health Partners Charlotte, NC
Health system digital team running a patient portal for 300,000 patients.

- Produced wireframes and Adobe XD mockups for a patient portal used by 300,000 patients.
- Redesigned appointment booking, raising online bookings from 22% to **35%** of all visits.
- Applied WCAG 2.1 AA rules to 60 screens and passed the health system's accessibility audit.
- Moved 400 Sketch symbols into a Figma library for a team of 5 designers.

Web Designer 06/2020 - 04/2021
Southend Creative Co. Charlotte, NC
Digital agency for local retail and restaurant clients.

- Designed 25 landing pages and email templates for local retail clients.
- Coded HTML and CSS email templates that rendered cleanly in 15 email clients.
- Prepared visual design comps in Photoshop for 8 website launches.
- Updated 10 client websites in WordPress each month.
