Summary

Biochemistry junior at the University of Michigan with a 3.8 GPA and 3 semesters as an undergraduate teaching assistant in General Chemistry. Leads discussion sections, handles grading in Gradescope and runs office hours tutoring for students who need extra help before exams.

Experience

09/2025 - Present
Ann Arbor, MI

Undergraduate Teaching Assistant

University of Michigan, Department of Chemistry

Teaching assistant for a 600-student General Chemistry course with weekly labs.

- Lead 2 weekly discussion sections of **30** students each, working General Chemistry problem sets at the board.
- Grade 60 lab reports a week in Gradescope against the course rubric and return written feedback within 5 days.
- Conduct 3 hours of office hours tutoring weekly plus exam reviews attended by up to 45 students.
- Post section notes and practice quizzes on Canvas and report attendance to the faculty instructor every Friday.

06/2024 - 08/2025
Ann Arbor, MI

Peer Tutor

Huron Valley Study Center

Part-time tutor at a private learning center for high school students.

- Tutored 12 high school students a week in chemistry and algebra, with lesson planning notes for every session.
- Raised regular students' quiz averages by **14** points over one semester, tracking scores in Microsoft Excel.
- Taught laboratory safety rules and lab report format to 8 students preparing for AP Chemistry.
- Explained difficult concepts in plain steps and checked progress with short practice problems at the end of each hour.
