SUMMARY

Utility steward with 2 years in resort and restaurant kitchens, covering dish machines, pot washing, degreasing and back-of-house cleaning for 5 restaurants. Able to multitask between outlets at peak hours and work independently on overnight deep cleans. Keeps the loading dock and trash areas clean and is flexible on shifts, including holidays and convention weeks.

EXPERIENCE

Utility Steward

02/2025 - Present

Lake Buena Vista Grand Resort — Orlando, FL

1,500-room resort near the theme parks with 5 restaurants, a banquet kitchen and 2 pool bars.

- Operate dish machines and the pot washing station for **5** restaurants serving about 3,000 guests a day.
- Deliver clean equipment, hotel pans and sheet pans between 6 kitchens, meeting each chef's setup time for service.
- Run the floor scrubber and clean hoods and fryers on overnight shifts, with no kitchen slips reported in 2026.
- Break down cardboard and sort trash and recycling at the loading dock, keeping the area clean for weekly inspections.

Busser

05/2024 - 01/2025

Sand Lake Steak & Seafood — Orlando, FL

Upscale steak and seafood restaurant with 220 seats and a private dining room.

- Cleared and reset 30 tables an hour on weekend nights and carried dish bins to the dish pit.
- Washed glassware and silverware during rushes when the dish station fell behind.
- Polished silverware and rolled 400 napkin sets before each dinner service with 2 other bussers.
- Reported broken equipment and spills to the manager right away to keep food safety and sanitation on track.
