Jonathan Mehta

Veterinary Internist

jonathan.mehta@email.com (512) 555-0127 Austin, TX linkedin.com/in/jonathanmehtadacvim

SUMMARY

Board-certified veterinary internist (DACVIM, SAIM) with 8 years in small animal internal medicine, including residency, seeing about 12 referral consults a day. Works up endocrine, kidney, liver, GI and immune-mediated disease with abdominal ultrasound, endoscopy and digital radiography, and sends clear plans back to referring vets.

EXPERIENCE

Veterinary Internist

09/2022 - Present

Hill Country Veterinary Specialists

Austin, TX

Referral hospital with internal medicine, surgery, oncology and a 24-hour ER.

- See 10-12 internal medicine consults and rechecks daily, plus rounds on 6-10 hospitalized cases.
- Perform about **350** GI and respiratory endoscopy procedures a year, including foreign body retrievals and biopsies.
- Manage 120+ diabetic and Cushing's patients with home glucose monitoring, cutting crisis admissions 25%.
- Wrote an IMHA protocol with the ICU team that raised 30-day survival from 62% to 78%.

Veterinary Internist

07/2021 - 08/2022

Gulf Coast Animal Referral

Houston, TX

Busy referral center serving about 300 general practices in the Houston area.

- Built a kidney disease clinic following 90 cats and dogs with SDMA, blood pressure and urine protein results.
- Performed 8-10 abdominal ultrasound studies a day with guided aspirates and cystocentesis.
- Placed 30 esophagostomy and PEG feeding tubes for patients with liver, pancreatic or oral disease.
- Treated 40 immune-mediated disease cases, including ITP and polyarthritis, with tapered drug plans.

Small Animal Internal Medicine Resident

07/2018 - 06/2021

Brazos Valley Veterinary Referral Hospital

College Station, TX

ACVIM-approved 3-year internal medicine residency.

- Managed 1,200 referral cases with teamwork across surgery, radiology and the ICU.
- Ran weekly journal club for 9 interns and taught endoscopy labs to 40 senior students.
- Finished a residency research project on feline pancreatitis with 85 enrolled cats.
