> EXPERIENCE

Video Producer 03/2023 - Present

Timberline Gear Co. Denver, CO

In-house creative team for an outdoor gear brand selling online and in 40 stores.

- Produce **90+** videos a year for product launches, YouTube reviews and paid social, from script to delivery.
- Plan schedules, crews, talent and locations for 25 shoots a year on budgets of $5,000 to $40,000.
- Direct lighting and camera setups on location in the Rockies, often with a 2-person crew.
- Grew the brand's YouTube channel from 18,000 to 61,000 subscribers with a gear-testing series.

Associate Video Producer 05/2021 - 02/2023

Larimer Street Media Denver, CO

Video agency serving healthcare, tech and nonprofit clients.

- Coordinated pre-production for 40+ client projects, including call sheets, releases and gear lists.
- Edited 50+ training and recruiting videos in Adobe Premiere Pro, with motion graphics built in After Effects.
- Designed thumbnails and title art in Photoshop for 15 client YouTube channels.
- Communicated schedules and edits to clients through weekly review calls, keeping projects on deadline.
