EXPERIENCE

Vocalist

08/2024 - Present

Cumberland Demo Works — Nashville, TN

Demo studio producing song demos for music publishers and independent songwriters.

- Record lead vocals on **300+** songwriter demos a year, usually finishing a song in 2-3 takes.
- Build each harmony arrangement by ear and stack background vocals that publishers use to pitch songs to artists.
- Read charts in the Nashville Number System to cut 6 songs per 3-hour studio session.
- Perform vocal comping in Pro Tools with the engineer, so 90% of demos ship with no pitch correction.

Background Vocalist

03/2022 - 07/2024

Hollis Lane Touring LLC — Nashville, TN

Touring band for an independent country artist playing clubs, fairs and festivals.

- Performed background vocals and three-part harmony on 140 shows across 22 states.
- Configured in-ear monitors and wireless packs for a 5-piece band, cutting line check to 15 minutes.
- Completed studio recording of background parts for 2 EPs and 4 radio acoustic sessions.
- Rehearsed vocal parts with the artist's music director before 3 tours, holding pitch accuracy on 18-song sets.
