SUMMARY

Warehouse Intern with hands-on Amazon and FedEx Ground floor experience. Hit 110% of pick-rate goal during 12-week internship and earned PIT and OSHA 10 certifications while pursuing a B.S. in Logistics.

EXPERIENCE

Amazon Fulfillment — Newark, NJ (EWR9)
Warehouse Intern — 2024-Present

12-week summer internship rotation across inbound, stow, pick, and pack at a sortable FC processing 220K units/day.

- Hit 110% of standard pick rate within 4 weeks; sustained 99.7% scan accuracy across 6,200 picks per shift.
- Stowed an average of 280 units/hour using RF scanner; flagged 14 mis-slotted bins back to the ICQA team.
- Completed Amazon's PIT operator program; certified on order picker, reach truck, and stand-up forklift.
- Documented a stow-rate improvement project that lifted the team's rate 6% (memo retained by Area Manager).

FedEx Ground — Edison, NJ
Seasonal Package Handler — 2023-2024

Peak-season hire on the Twilight sort processing 64K packages per night.

- Loaded an average of 1,100 packages/shift with 99.4% scan accuracy across 38 nights.
- Earned Safety Star recognition for zero recordable incidents during peak.

PROJECTS

Intern
Stow Rate Improvement Memo — 2024

Documented a slotting tweak that lifted team stow rate 6%; Area Manager kept the memo for the next associate cohort.

RF Scanner • Excel
